# About Us.

MT & JK Constructions is a leading construction company that offers a wide range of construction services in the commercial and residential sectors. The company was formed by the merger of Shaloms Designers and Builders and KJV Construction, bringing together the expertise and experience of two of the most respected construction companies in the industry.

Led by Managing Partner Mr. Mathew TT, who has been in the construction industry since 1998, the company has a strong track record of successful projects across the state. His vast experience includes apartment works, villa projects, residential construction, and other related works. Mr. Mathew is an executive member of the Builders Association of India (B.A.I), Thripunithura Centre.

Partner Mr. KV Joy brings with him extensive experience in working with MNC companies and government projects, adding a new dimension to the company's portfolio of services. With years of experience in the construction industry, our team of skilled and dedicated professionals is committed to delivering exceptional results to our clients. We use only the highest quality materials and employ the latest construction techniques to ensure that every project we undertake is completed to the highest standard.

MT & JK Constructions specializes in providing top-quality support, implementation, and allied services for multiple products, ranging from multi-storey apartment complexes, villas, and residential projects in major cities throughout Kerala.

## What we do?

At the heart of our contracting services lies the commitment to bring in the necessary expertise and skills to ensure timely and budget-conscious project completion. Our team consists of highly qualified experts, each with extensive experience in their respective industries. The value of quality runs deep within our organization, extending far beyond a mere association with our name. From the initial stages of construction to the final touches of completion, our mission remains unwavering to consistently uphold and deliver exceptional quality.

## Why choose us

At MT & JK Constructions, we take pride in delivering professional services that guarantee the highest level of quality and efficiency, instilling confidence at every step of your build and ensuring clear and consistent communication throughout the construction process. With our extensive experience, rigorous quality control, prompt delivery times, and strong client relationships, we have become the preferred choice for new construction projects. Our expertise in monitoring all aspects of construction activities for a diverse range of business projects enables us to provide valuable assistance to your company, leveraging our refined abilities in quality management, strategic planning, and team management.
